

WELFARE PROCEDURE

AQUAJETS NEWCASTLE ASC

Aquajets adheres to Swim England Safeguarding and Welfare Procedure. The Swim England Guidelines can be found on the link below:-

<https://www.swimming.org/swimengland/wavepower-child-safeguarding-for-clubs/>

The club is committed to providing a safe and supportive environment for all members. The club has a welfare committee which comprises of three members of the club from a cross section of squads. All members of this committee are experienced in dealing with welfare and safeguarding of club members and swimmers. Any concern you have must be immediately reported **via the club website**. Please go to the competitive swimming page and click on the **WELFARE** button.

Members can contact the welfare committee and be assured that all contact will be dealt with in complete confidence and fully investigated in a professional and impartial manner.

All members must have signed a club code of conduct on joining the club and will be asked to resign the document on an annual basis.

Members Beware

Any member found to be in breach of their code of conduct will have their membership immediately withdrawn.

Any member of the club found to be making false claims resulting in stress to other members and wasting the welfare committees time will immediately have their membership withdrawn and the club will look to take independent legal action against any false or unsubstantiated claims.
